STATEMENT FROM MR. LOVE.

Mr. Thomas A. Davis, Editor of The Maysville Ledger—Dear Sir: In view of an article published in your paper of the 14th inst., which gives a very unjust impression regarding my arrest at my home Monday evening, July 11th, I desire to make the following statement:

My wife went with me to a mountain resort in Virginia July 2d, where she has since been and expects to remain during the summer, with a full and cordial understanding between us to that effect. Therefore, she could not have been at home 11th inst., or I angry at her absence. My arrest was caused by the malice of a neighbor, and was entirely illegal. Continuance of trial was granted because my witnesses were not present. I have not threatened any one, and have no inclination to disturb the peace. Neither am I in any sense an emissary.

Yours respectfully,
JOHN H. LOVE.

Some of the readers of THE LEDGER may recall the circumstances concerning the arrest of Samuel Ishmael at the instigation of P. S. Myers & Son, charging him with stealing a purse containing about \$25. The purse afterward being found in the store, Myers & Son under agreement with Ishmael paid all his costs and as they supposed settled the matter forever. On last Saturday, however, Ishmael brought suit in the Robertson Circuit Court, claiming \$10,000 damages for false arrest, &c. R. K. Smith of Brooksville is plaintiff's attorney. Myers & Son have employed Deming Holmes & Deming to defend them. The case will come up at the November term.

The hardest rain we have had for some time fell Wednesday. It did some damage. There was considerable hail with it.

Miss Alma Riggen has gone to Cincinnati with Miss Hattie Glascock to the hospital. She has been sick at the home of H. V. Riggen for some time.

The most peculiar condition we know anywhere exists in the case of F. F. Goodwin. Since the recent rains he has been looking somewhat distressed. On being asked what was his trouble, he replied: "My corn and tobacco are growing so rank by the use of fertilizer that I will not have room on my farm for them to mature, and will be compelled to leave land on each side to set my fence out."

BUILDING ASSOCIATIONS.

Some of the Provisions of Kentucky's New Law in Regard to Them.

The laborious Legislature has at length evolved a new law for the government of Building Associations, wherein so many working people have been enabled to lay up the purchase money for a home.

The Frankfort aggregation are moved to do any and everything that has a tendency to cripple capital, and it is in keeping with their past record that in the passage of this law they utterly disregarded numerous petitions signed by thousands of stockholders in the various companies of Covington, Newport, Louisville and other cities.

The act, which will be a law as soon as the Governor signs it, repeals all general laws relating to this subject, and goes into effect when approved by the Executive.

It provides that the par value of building association shares shall not exceed \$5,000,000.

No person shall hold, in an association having an authorized capital stock of \$100,000 or less, exceeding an amount equal to 24% of the whole number of shares; in those having an authorized capital exceeding \$100,000, and not exceeding \$500,000, 24%; in those having an authorized capital of \$500,000 and not exceeding \$1,000,000, 14%; and in those having an authorized capital of \$1,000,000 or in excess thereof, 14% of the whole number of shares therein.

A member may withdraw his unpledged shares at any time by giving thirty days' notice. A borrowing member for each share borrowed upon shall, in addition to his dues and monthly or weekly premium, pay monthly or weekly interest on his loan at the rate of 6% per annum, and the interest and premium shall not exceed 12% per cent. per annum, until his shares reach the value fixed by the by-laws, or the loan has been repaid, and when said ultimate value is reached, said loan and shares shall be declared canceled and satisfied, and the balance, if any, due upon the shares shall be paid to the member.

A borrower may repay a loan at any time upon application to the corporation, in even shares, whereupon, on settlement of his account, he shall be charged with the full amount of the original loan, together with all installments of interest, dues, premiums and fines in arrears, and shall be given credit for the withdrawing value of his shares pledged and transferred as security, and the balance shall be received by the corporation in full satisfaction of said loan. Any minor above fourteen, or a married woman, may hold shares.

Straw Hats!

Prices Cut in Half!

At a meeting of the grain merchants and millers of Maysville, held on June 24th, 1892, the subject of cleaning wheat by farmers was introduced and fully discussed, and the following preamble and resolution was adopted:

That whereas, in former years, owing to the superior quality and cleanliness of Mason county wheat, it enjoyed a reputation second to no other section of the country and was much sought after, but in recent years, owing to the imperfect cleaning of wheat by threshers, it has suffered very materially in grading in the general markets in comparison with wheat from other states, resulting in no inconsiderable loss to the handlers, and many of the former large wheat customers who bought wheat here have in consequence been diverted to other markets; therefore, be it

Resolved, That the grain dealers and millers of this city feel that it is incumbent upon them to make it known to the farmers that they must insist upon them having their wheat well cleaned and screened by threshers, otherwise prices will be made accordingly.

They desire to state, for the benefit of the farmers, that wheat to grade No. 2 must weigh at least 58 1/2 pounds to the bushel, thoroughly clean and dry, free from smut and other impurities; and that wheat to grade No. 3 must weigh at least 56 pounds to the bushel, and be dry and reasonably clean, and may have an occasional smut ball, but free from stain. Wheat not up to the above grades will be classed as rejected.
